

TROX ACADEMY INTERNATIONAL

FRESH AIR FOR AIR CONDITIONING AROUND THE WORLD.

The TROX ACADEMY is active around the world and offers our customers and partners the chance to get to know the world of TROX. In training sessions and seminars, we pass on our know-how and offer our support as a competent contact partner.

With 25 subsidiary companies on five continents, we offer safe and certified ventilation systems as well as sustainable solutions and efficient products to ventilate buildings and help preserve the environment.

If you are interested in international events, please get in touch with us.
